2015

JULY 2015

Great Results

As we start the final round of netball it is fantastic to see the results of our teams so far. **Amethyst (U15B), Garnet (Int B), Turquoise (Jnr B), Gems (Jnr D), Ebony (Jnr I)** are all in **1st place** after round one of the Championship rounds. Great effort from our younger age groups!

Platinum have worked hard and made it back into Division 1 of the Regional Premier League. Keep it up girls and good luck for the rest of the season! We know you can do us proud and we look forward to hearing about your final results at prizegiving.

*Jill Collins
Club President*

Award Nominations

Soon we will be asking teams to make their selections for team awards. Think about those players in your team who have shone this season and who deserves the following awards;

Trophy Returns

Time to return your MIP or MVP trophies which you received last year. Please return these by **14th Aug 2015**. Either return to Jill Collins at 30 Walter Strevens Drive or drop off at the school, box labeled Trophy Returns CG Netball Club will be left in the Office from Wed 29th July 2015. Coaches will also be provided with a list to follow up with their players.

PRIZEGIVING 2015

As indicated in previous notices we are splitting the junior and senior prizegiving functions this year based on feedback from last year. We are making both events a more social occasion.

Junior Prizegiving - 5th Sept 2015

Hosted at Gymsport Centre, Bruce Pullman Park, starting at 2.00pm. For the first hour children will have use of the trampolines, jumping pits, junior gym, bouncy castle and some of the sports equipment, followed by afternoon tea and Prizegiving then finishing at 4.00pm. The cost for the use of the venue and equipment is \$10 per child (player) siblings welcomed too.

To ensure the success of this day, we are requesting that each team coordinate their fees as a group (a suggestion to use the uniform bond of \$10 which can be retained by your manager has been made).

Please also supply 2 savoury & 2 sweet dishes per team.

Senior Prizegiving - 12th Sept 2015

Hosted at the Thoroughbred Sports Bar in the Function Room on Saturday and will be a drinks and nibbles event.

We are considering the option of making this a real social evening, with music and dancing (a small door charge may need to be applied). Each team are asked to provide platters such as (cheese, crackers or similar savoury or sweet lite bites) for your team table.

The evening will start at 7.00pm followed by the prizegiving scheduled to begin at 8.00pm.

We will provide more details in a few weeks.

End of Season Uniform Collection

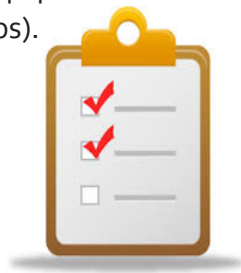

As the season draws to an end we need to start our tick list of those little tasks we need to do to close off for 2015

Uniforms and gear bags are to be returned on **Thursday 27th August at 6pm** at the school hall.

Junior teams you need to you bring a change of clothing along to your last game on **22nd Aug '15** and hand your uniform and jacket over to your team manager. Managers are required to wash them and return them to the **school hall on Thurs 27 August.**

Senior teams please organise a drop off or a collection arrangement with your manager and return as a group, this is the preferred option for this season. We would like to avoid having to chase players who do not return their items on the night. We believe this will be a much more convenient arrangement all round. Thank you in advance for your cooperation.

Coaches please ensure your gear bags are cleaned out of all rubbish and all gear returned, including any coaching manuals you have borrowed. Please also let us know if any of the equipment is broken or is not working (such as pumps).

No more Future Ferns

With the development of the Junior Netball Programme by Netball New Zealand, PNC are phasing out Future Ferns. This is the last year of that programme. Players Year 1 to 4 are now encouraged to take part in the programme run by PNC. Any players on Saturday will be playing within the full junior grades and playing conditions.

We really encourage you to enroll your young players in these programmes at PNC. Keep an eye on the PNC website for upcoming dates.

The current 10 week programme is coming to a close and a new one will start after the next school holidays in October.

Theft & Damage at PNC

At the Management Meeting at PNC last week they told us about some damage and thefts at the centre. Some people who didn't want to walk all the way around to the front gates (and probably to avoid making a gold coin donation!!) have cut holes in the back fences to gain access to the courts when the gates were locked.

Also someone went to the trouble of taking ladders to the courts and scaled up the lighting towers to remove the speakers for the PA system!! It is believed this was for the scrap metal value. PNC have had to dip into some of their other funds to cover these costs so please give to the gold coin donation days as a little from us all will help stop our overall fees going up.

If you have seen anything in relation to these two events please let the Centre know or alternatively contact the police.
